

Chapter 10.04 - SPEED LIMITS

Sections:

[10.04.010 - Designation—Authority.](#)

[10.04.020 - Radar enforcement.](#)

[10.04.030 - Increase limits.](#)

10.04.010 - Designation—Authority.

The council may establish and designate by ordinance an increase or decrease of local speed limits pursuant to Vehicle Code Sections 22357 and 22358.

(Prior code § 4-5.401)

10.04.020 - Radar enforcement.

Radar may be utilized to enforce speed limits on roadways within city boundaries when a prima facie speed limit is justified by an engineering and traffic survey pursuant to the Vehicle Code.

(Prior code § 4-5.402)

10.04.030 - Increase limits.

Pursuant to a traffic and engineering survey, the posted speed on the following streets will be raised from thirty-five (35) mph to forty (40) mph:

- A. South Auburn Street between Placer Hills Road and a point 0.25 miles south of State Route 174.
- B. South Canyon Way between a point 0.15 miles south of Placer Hills Road to a point 0.10 miles north of Seims Avenue.

(Prior code § 4-5.403)
